GROUP

This spacious detached residence is located in the highly sought-after Charnwood village of Sileby, offering an exceptional opportunity for a family home. The property is available for immediate purchase with NO CHAIN, providing you the chance to make this your own in a popular village setting. With an extension that has increased its living space, the property boasts ample off-road parking and a large detached double garage complete with lighting and power.

As you step inside, you'll find a generous lounge with two center light fitting points, a double radiator, telephone socket, and television aerial point. White uPVC double-glazed windows flood the room with natural light and offer views of the front garden. An openway leads to the rear lounge extension, which features two wall light fittings, a double radiator, and a double-glazed sliding patio door that opens to the rear garden.

Adjacent to the lounge, you'll discover an extension at the rear that provides additional living space in the form of a formal dining room. It features a wall light fitting, smoke alarm, and a white uPVC double-glazed window offering lovely views of the garden. A large open archway connects it to the adjoining extended dining room with a serving bar access.

The dining kitchen is well-equipped with light wood grain fronted units, offering plenty of storage space. You'll find a range of appliances, including a 'Creda' fan-assisted electric oven and a separate eye-level grill. There's also a four-plate electric halogen hob with a fitted extractor hood. The kitchen features a breakfast bar extension, a 1 ¼ polycarbonate sink with a mixer tap, and an array of wall and base cupboards. There's even space for a washing machine, dishwasher, and an under-counter refrigerator. The kitchen is well-lit with circular track lighting and a double radiator. A white uPVC double-glazed window provides views of the side elevation. A serving hatch connects it to the rear dining room extension, and there's also a pantry with space for an upright fridge freezer.

The extended Master Bedroom is a true highlight, featuring a comprehensive range of bespoke Sharps wardrobes with full-length mirrored sliding doors. This room is well-lit with two light fitting points, and it also includes a telephone socket and television aerial point. A white uPVC double-glazed window overlooks the garden. It comes with an en-suite Jack and Jill shower room that features a white suite with a low-level flush toilet, a large pedestal washbasin, and a double shower cubicle with a glass pivoting door. The shower is fitted with an 'Aquatronic' shower and is beautifully tiled with black and white marble-effect tiles.

The second extended bedroom includes two light fitting points, a television aerial socket, and a double radiator. This room also offers access to a useful inbuilt clothes hanging storage wardrobe and the former airing cupboard housing the 'Worcester Bosch' combination gas boiler. A white uPVC double-glazed window overlooks the garden, and it shares the dual en-suite shower room with the Master Bedroom.

The third bedroom is equipped with pine-fronted units, including two clothes hanging storage wardrobes

and high-level cupboards. A light fitting point, radiator, and white uPVC double-glazed window complete the room.

The family bathroom features a white three-piece suite, including a low-level flush toilet, a pedestal washbasin, and a large corner bath with a Mira shower. Tastefully tiled from floor to ceiling, this room is well-illuminated with a light fitting point and features a double radiator.

Outside, the property is surrounded by well-maintained gardens, including an extensive front garden with a low brick retaining wall and beautifully stocked borders. There's ample driveway space for up to five cars, and a water tap on the side elevation. The side driveway leads to the detached double garage, which is equipped with two metal up-and-over doors, strip light fittings, multiple power points, and a personal side door. The enclosed rear garden is laid extensively to patio, ensuring easy maintenance, and it also includes a security light with a sensor.
